

## **National Bank Once Again Rewarded for its Structured Products**

**Montreal, June 1, 2018** – For a fifth year, National Bank won an award in the *Best Product Performance in Canada* category for its notes and market-linked GICs at the *Annual Americas Wealth Management & Derivatives Conference 2018* held in Chicago on May 23 and 24.

### **Highlights**

- Created in 2012, the SRP Americas awards are based on an analysis of the largest structured product database as well as the industry's most extensive survey.
- The winners were selected based on the measurable performance of their products.

### **Quotes**

"We would like to congratulate National Bank of Canada on winning SRP's Best Performance, Canada 2018 Award for two years in a row. National Bank of Canada shows its ongoing commitment to excellent product design, superior returns and client satisfaction, showcasing the value of structured products to the Canadian investors," said Tiago Fernandes, Managing Director – SRP.

"National Bank is proud to win such a prestigious recognition for a fifth year. This honour encourages us to continue pushing the boundaries of innovation and to design investment solutions that meet the ever-evolving needs of our customers," stated Vincent Marquis, Managing Director, Structured Solutions Group at National Bank.
