

National Bank Once Again Rewarded for its Structured Products

Montreal, June 3, 2019 - For a sixth year, National Bank won an award in the *Best Product Performance in Canada* category for its notes and market-linked GICs at the Annual Americas Wealth Management & Derivatives Conference 2019 held in Chicago on May 21 and 22.

Highlights

SRP Americas awards are based on an analysis of the largest structured product database as well as the industry's most extensive survey.

The winners were selected based on the measurable performance of their products.

Third consecutive year!

- 8.0% average annualized return for all products that matured or got called between 2016 and 2018.
- 94% of these products generated positive returns for investors.
- 8.7% average annualized return with a -26% of average downside protection Non Principal Protected Notes (or Principal at Risk Notes)

National Bank is really proud to continuously design and distribute products that 1) stand out from competition, 2) add value in investors' portfolios and help them achieve their long-term objectives.
